5. Decisions of the Local Planning Authority:-
  - a Approval Notices: Wychavon District Council, the Local Planning Authority, has issued six approval notices, all of which accorded with the recommendations of the Town Council.
  - b Refusal Notices: no refusal notices have been issued.

6. South Worcestershire Development Plan - Notification of Adoption of the South Worcestershire Planning for Health Supplementary Planning Document (September 2017) *[for information only]*  
*Following public consultation earlier in the year, the South Worcestershire Councils (Malvern Hills District, Worcester City and Wychavon District) have now adopted the South Worcestershire Planning for Health Supplementary Planning Document (SPD) at their relevant committee meetings with effect from the 21 September 2017. Copies of the adopted SPD and the Statements of Consultation that show how the draft document has been amended can be found on their websites including [www.wychavon.gov.uk](http://www.wychavon.gov.uk) Hard copies can also be viewed at several locations including Wychavon Community Contact Centres in Pershore, Evesham and Droitwich Spa; libraries at Evesham, Droitwich Spa, Pershore and Broadway.*
  
7. Worcestershire County Council – Minerals Local Plan – Call for Sites *[for information]*  
*Worcestershire County Council is in the process of preparing the new Worcestershire Minerals Local Plan. The Third Stage Consultation on the Minerals Local Plan was undertaken in December 2016 – March 2017 which included a draft of minerals policies, potential areas of search for minerals and potential sites. The Council has published a Minerals Local Plan third stage consultation response document detailing the comments received and the Council's initial response; this is available at [www.worcestershire.gov.uk/minerals](http://www.worcestershire.gov.uk/minerals). Responses to the Third Stage Consultation highlighted that there were not enough mineral workings in Worcestershire to deliver the level of minerals supply required from the County, as required by the national minerals policy and regional supply calculations. The County Council is therefore seeking additional sites suitable for mineral working or supporting minerals infrastructure and which could contribute to the local supply of sand, gravel, clay or hard rock for inclusion in the Minerals Local Plan.*
