Notification had been received of Planning Appeal: APP/H1840/D/16/3144321 (W/15/03013/PP) Start Date – 19 February 2016, Mr Allen, Erection of timber outbuilding at rear of premises (retrospective). Site at: 1 West Park Drive, Droitwich Spa, WR9 9HF

244 WORCESTERSHIRE COUNTY COUNCIL – COPCUT RISE DEVELOPMENT – DROITWICH SPA, A38 ROMAN WAY, PROPOSED 40 MPH SPEED LIMIT, TRAFFIC REGULATION ORDERS

The Committee reviewed the following drawings in relation to the above proposals:

- 2014-296-002 – Proposed 40mph Speed Limit Traffic Regulation Order
- NTH2114/01/1200 – Site Access Traffic Signs and Road Markings

It was noted that as the new site access on Roman Way was to be lit by a new system of street lighting, it was necessary to process a speed limit order over the extents. A previous consultation had proposed a national speed limit as the new highway features were designed to the existing speed of the road, and the Governmental Department For Transport guidance supported a national speed limit, however following the responses that were submitted a 40mph speed limit was now proposed. The extents of the proposal were as per the previous consultation (extent of street lighting). National speed limit signs detailed on the traffic signs and road markings drawing would be replaced with 40mph signing.

RESOLVED That the making of traffic regulation orders to enable a 40 mph speed limit along the A38 Roman Way at the Copcut Rise development be supported.

245 YEW TREE VILLAGE – PUBLIC CONSULTATION EVENT

This related to a ‘Reserved Matters’ application which Taylor Wimpey was to submit on part of the land subject to outline planning permission at Yew Tree Village, Droitwich. The Town Clerk advised that arrangements were being made for an informal ‘Drop In’ session for the public on Tuesday 12 April 2016 from 6 – 9pm in the Council Chamber to view and comment upon the information being provided by the Developers. Viewing for Town Councillors would take place from 5.30pm.
