6. Worcestershire County Council- Proposed Disabled Persons Parking Space. An application has been received for the provision of a disabled persons' parking space near to 8B St Richards Gardens, Droitwich Spa. The request meets the eligibility criteria outlined in the County Councils' Policy for the provision of such car parking spaces within residential areas. The purpose of the policy is to assist people with the most severe mobility difficulties in order that they may park close to their homes. The applicant's property has no off-street parking and no scope for creating such a facility. It is therefore WCC intention to pursue the introduction of a Traffic Regulation Order to implement a disabled persons' parking space near to the location. Any views about this proposal are requested by 13 March 2019. *[location plan attached for information purposes]*
7. Worcestershire County Council –Road Traffic Regulation Act 1984 (as amended), Various roads – Droitwich Spa, Hampton Lovett & Cutnall Green , Revocations and Proposals Order 2019. The proposed order will not change the existing speed limit or its extent, as apparent on the ground and shown on the attached plans. *[details attached for information]*
